

NYU Langone is asking for our help in advertising positions for research nurses and staff to help with Covid-19 vaccine clinical trials. They are looking to fill short term and full time positions in the vaccine unit. Hours for these various positions range from 7 hrs/week to full-time. All are paid positions.

For questions and more information please contact Bien Lee as stated in the email below.

Positions Available in the NYU Vaccine and Treatment Evaluation Unit

The NYU Vaccine and Treatment Evaluation Unit (NYU VTEU) is looking to urgently hire Clinical Operations Managers, Nurse Practitioners, Research Nurses, Associate Clinical Coordinators and Research Data Associates. The VTEU provides outstanding leadership, scientific innovation, and operational excellence in conduct of high priority federally supported infectious diseases clinical research.

You can find the job listings linked below:

- **Nurse Practitioner**
- Clinical Operations Managers in **Manhattan** and **Brooklyn**
- Research Nurses
- Research Data Associates
- Associate Clinical Coordinator

There are also paid short-term positions immediately available to assist with vaccine trials on non-covid-19 participants.

Please contact **Bien Lee** Bien.Lee@nyulangone.org with any questions or for more information.
