The Lighthouse Lymphedema Network is sponsoring another conference aimed at increasing the knowledge of nurses and other medical professionals about lymphedema – the purpose of this program is to increase knowledge about lymphedema, the function of the lymphatic system, and the best practices for treating lymphedema.

You may securely register online at www.lighthouselymphedema.org, or you may scan the completed attached registration form to tobhunterb@kennesaw.edu. **Please register by March 1. There is no charge for this educational event and CEUs will be provided for attendance.**

Our speakers and their topics include:

- 1. Marcia Beck, APRN, BC, CLT-LANA, “The lymphatic system from a nurse’s perspective (including causes and obesity)”**

2. Rebecca (Becky) Bosselman, BSN, MS , “Increase lymphedema awareness during clinical assessment, and the importance of support groups”
3. Mei R Fu, FAAN, PhD, RN , "Symptom reporting as a useful tool to detect lymphedema for breast cancer survivors and health care providers.”
4. Janie Smith, PT, CLT, ““Lymphedema treatment overview
5. Melissa Driggers, “Lymphedema patient story”

Our excellent vendor partners will have their lymphedema treatment and management products on display before & after the program, and during breaks.

Please register ASAP – our previous educational events have received very favorable reviews, and LLN’s goal is to spread knowledge about proper knowledge of lymphedema diagnosis and treatment to as many medical professionals as possible.

FOR LYMPHEDEMA PATIENTS AND THEIR CAREGIVERS:

**A PATIENT FORUM WILL BE HELD THE SAME DAY,
SAME LOCATION FROM 1:30-3:00 PM
(FOLLOWING THE MEDICAL PROFESSIONALS
CONFERENCE)**

**OUR SPEAKERS & THERAPISTS WILL BE PRESENT TO ANSWER
YOUR QUESTIONS AND PROVIDE DISCUSSION.
NO REGISTRATION IS REQUIRED FOR THIS EVENT, & VENDORS WILL
BE PRESENT.**

PLEASE JOIN US IN THE AFTERNOON!
