

At Elara Caring, you have a unique opportunity to play a huge role in the growth of an entire home care industry. Here, each team member has the chance to make a real difference by carrying out our mission every day.

At Elara Caring, we have an unique opportunity to play a huge role in the growth of an entire home care industry. Here, each employee has the chance to make a real difference by carrying out our mission every day. Join our elite team of healthcare professionals, providing the Right Care, at the Right Time, in the Right Place.

You take pride in your ability to help people, in any environment, and that perfectly aligns with our culture. Our Training and Education Specialist are truly valued, and essential, in providing the best care to each patient, every day. At Elara Caring, all our team members play an integral role in shaping the future of healthcare. Being a part of something this great starts by carrying out our mission every day through your true calling: supporting an amazing team of compassionate and dedicated healthcare providers.

Delivering the *right care, at the right time, in the right place* is the mission that inspires Elara Caring, and *that starts with the right people*. Currently, we serve over 65,000 patients nationwide, with constant opportunities to have a significant influence in the lives of our patients and their families. This means you have countless ways to make a difference in your role as Training and Education Specialist by helping your team to reach their full potential.
